

Happy Valley East THANKSGIVING FOOD DRIVE

It is time for the 3rd Annual HVE Thanksgiving Food Drive!

We have partnered with local food banks in our area to provide meals for those in need. From November 14th to November 18th we will be collecting non-perishable food items that will then be donated to feed hungry families right here in the Happy Valley community!

Donating is as easy as 1-2-3

1. Choose what you would like to donate
(please double check expiration dates)
2. Bag or box it up
3. Send the bag or box to school with your student

Volunteers will even be available curbside to collect the bags right from your car so you don't have to get out and boxes will be placed in the office as well as throughout the school. If your student takes the bus, no worries, we will collect the bags right from there too!

Last year we provided 11 Thanksgiving feasts to families in our school and plan to do the same this year as well. Even after sharing with those 11 families we were able to donate an additional 18 of the tall donation boxes of food to the food bank! Happy Valley students are amazing! This year we would like to beat that record and donate even more. So as an incentive, if we are able to fill **20 boxes** there will be a fun reward for the entire school! Mr. Palmer hasn't confirmed what that reward will be as of yet, but we know it is going to be fabulous!
