

The 2018 Happy Valley Giving Tree is up and ready. With your help, it is our goal to provide holiday gifts to 11 families right here at HVE. A little Christmas cheer provided for students, by students! Each child on the tree will receive an outfit, new shoes, socks, underwear and a toy!

We know schedules are busy, coming in person to choose a tag may be difficult. For your convenience the office staff is willing to assist your child by helping them choose as many tags as you would like. Just fill out the permission slip, detach it and return it with your child. Teachers will send children to the office to choose their Giving Tree tags at a convenient time. Please return all gifts with the Giving Tree tag by **Dec. 12** unwrapped.

Thank you so much for helping provide holiday gifts to children right here in our school. We couldn't make this happen without the generosity parents like you. HVE students are kind and generous because they see it modeled at home. Thank you for raising amazing children!

If you have any questions about the Giving Tree or how you may get involved, please contact Sarah Azevedo by email: [sazevedo@hvest.com](mailto:sazevedo@hvest.com) or phone: 480-888-1342 Thank you again!!
